

GOTV Champion Role and Responsibilities

- Sign up 20+ people to Vote AIM by signing a yellow commitment card to vote in the June Primary and on AIM issues.
- Let the GOTV Captain from your organization know you are a “GOTV Champion,” and share your progress with them. Give your signed cards to them by May 31 if possible, after you write down the names, phone numbers and emails of the people who signed your cards.
- Between June 12 and June 26, remind each person you signed up to vote in Early Voting (June 14-21) or on June 26. Confirm they will be voting.
- Sign up other people to be GOTV Champions.

Who, Where and When to Sign People Up to Vote

- Sign up anyone who is both a resident of Montgomery County and a US Citizen.
- Sign up people you have some connection to in your life, people you know or recognize.
- Think about all of the gatherings you will go to before May 31 (preferred) or June 26. Sign people up:
 - At PTA nights, school activity nights or parent events, sports events, etc.
 - Family events.
 - Sign up your neighbors. If you don't know them, use this as an excuse to get to know them by going door-to-door to sign them up and introduce yourself.
 - At your house of worship.
 - At a party.
 - At any group you're part of--a book group, regular coffee hour, prayer or text study group, etc.
 - Be creative and thoughtful about who you sign up and all the possibilities. You're giving people an opportunity to act on issues they care about, and make their vote more meaningful.
 - If someone you want to sign up isn't able to vote, would they be willing to join you in the GOTV efforts and sign up voters they know?
 - If you find someone excited about what you're doing, ask them to join you in your efforts, and sign up to be a GOTV Champion too, or to commit to signing up ____ (5, 10, 25, 50) people themselves!
 - See if they are will commit to come to the AIM County Executive Candidates' Action on May 31 to see them in person, or to the County Council Candidates' Actions on April 19, 22, and/or 25.
